

MANAGERIAL DEVELOPMENT PROGRAMS

(April 2011 to March 2012)

E4 Development and Coaching Ltd. is a subsidiary of Eureka Forbes Ltd. and has a presence across India and access to over 40 training centres, 200 classrooms in over 90 cities in India.

The effectiveness of an organisation depends upon managerial effectiveness. How successful companies are in a market place depends upon the competency of its people. Hence managers have a key role in developing the competency of people in organisations.

The Managerial Development Programs listed herein have been selected based on the current researched and perceived needs of operating managers in industry. Hence these programs will appeal to them, with respect to the recency of the content and the experiential learning shared by the faculty.
